

IMMC Oral Presentation Rubric

Around 4:00pm on Saturday, your team will be asked to give a 15 minute oral report on your model and conclusions. As you prepare for your presentation, please give some thought to the rubric given below, as it is the one judges will refer to.

					Comments
Organization	Consistently clear, well organized, and easy to follow. Smooth transitions between sections	Usually clear, well organized and easy to follow.	Not always clear. Organization was adequate, but weak. Sometimes difficult to follow.	Often unclear and disorganized. Confusing and difficult to follow.	
Mathematical Content	Displayed and excellent grasp of the problem. Used reasonable and clearly stated assumptions. Used well-chosen mathematical tools.	Displayed a good grasp of the problem. Assumptions are reasonable. Used appropriate mathematical tools.	Adequate understanding of the problem. Used some mathematical tools to get a result.	Poor understanding of the problem, largely unreasonable assumptions, or inappropriate use of mathematical tools.	
Visual Aids	Simple, clear, easy to interpret, easy to read. Well-coordinated with content.	Usually clear and easy to read. Generally well-coordinated with content.	Marginally acceptable, too complex, crowded, difficult to read or interpret.	Poor quality, hard to read, technically inaccurate, poorly constructed. Poor coordination with content.	
Stage Presence	Excellent stage presence. Confident, at ease, good audience attention and eye contact.	Good stage presence. Fairly confident, acceptable audience attention and eye contact	Adequate stage presence. Read parts directly from slides or notes, fumbled with notes or technology, distracting gestures, minimal eye contact and/or too many "ums".	Poor stage presence. Unprepared, awkward, shuffled papers, poor eye contact, lots of "ums", and /or turned from audience to read slides.
